

A treemap visualization showing the distribution of programming languages. The largest area is Javascript at 27%, followed by C++ at 23%, Python at 20%, C# at 12%, Java at 10%, and Other at 8%. The colors are: Javascript (red), C++ (purple), Python (dark purple), C# (orange), Java (dark purple), and Other (light orange).

Language	Percentage
Javascript	27%
C++	23%
Python	20%
C#	12%
Java	10%
Other	8%

Java  
10%

Javascript  
27%

Other  
8%

C#  
12%

Python  
20%

C++  
23%
